

DOCENT YEARBOOK

2016 - 2017

Closed for Reimagining

Galleries reopen August 2017.

UMFA
UTAH MUSEUM
FINE ARTS

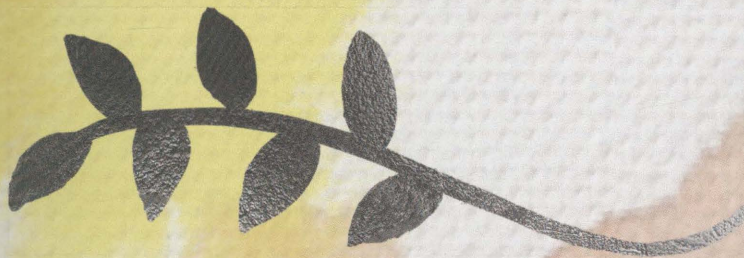

The museum was closed for the entire year – the docents dearly missed having a home. However, we kept engaged with our individual teams and enthusiastically embraced the opportunity for increased professional development in anticipation of the reopening.

The museum officially closed its doors on January 18th, 2016. The hope was to reopen in 12 months – that date was extended until August 2017.

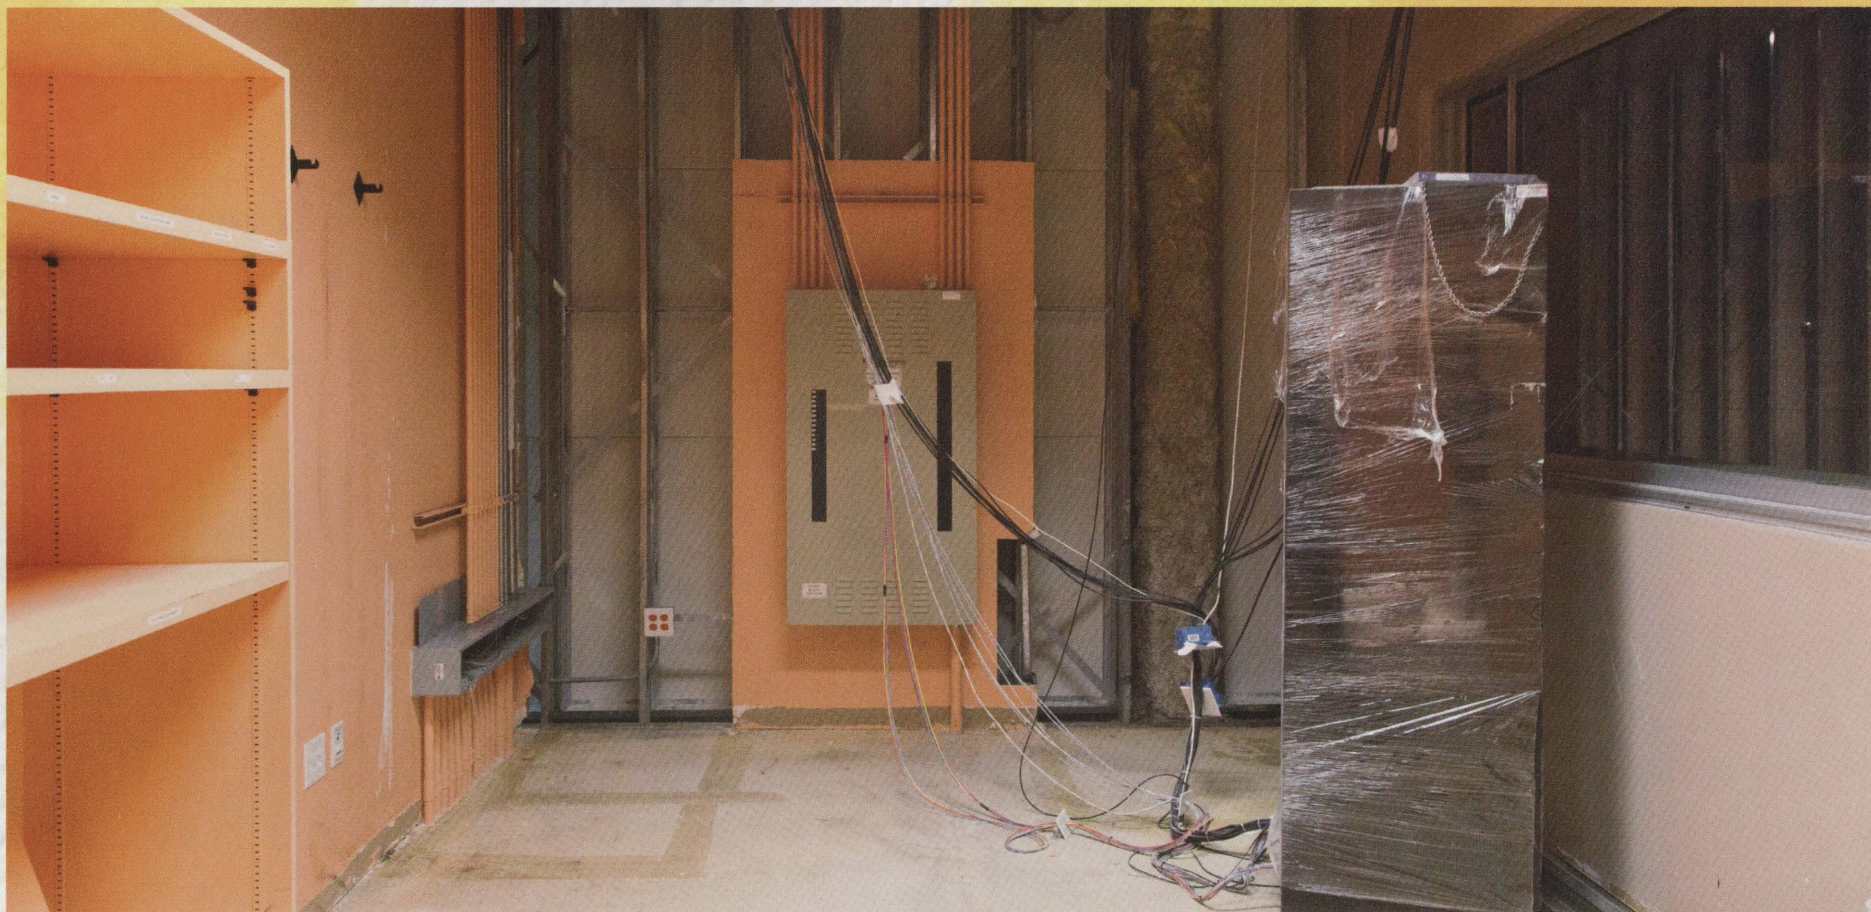

Displays were taken down, artwork safely stored in the basement and work began to reinforce the building's vapor barrier and to improve the acoustics in the Great Hall, improve the cafe and reception area, etc.

*Construction workers were not
the only ones making great
changes; the UMFA staff was
busy...*

REIMAGINING!

The education staff were always available and provide leadership and support for the docents.

The retreat allowed us to focus our attention on the upcoming year. Gretchen updated us on the status of the renovation; the education staff updated us on plans for training and goals; and one docent from each team shared a ten minute spotlight with us.

Holiday Luncheon

The Annual Holiday Luncheon began at the studio and home of artist Ben Behunin. Afterwards, we convened at the Alta Club for lunch.

Ben threw a pot for us, allowed us to peruse his studio and explore his lovely home.

Professional Development

PROFESSIONAL DEVELOPMENT BEGAN ON A
TWICE A MONTH BASIS IN JANUARY 2017.

We used the Beverly Taylor Sorensen Center for several of our early sessions. At this session Curator Leslie shared her plans for the European Gallery and Robyn from conservation informed us of the precautions that are taken to protect the museum's collection.

Later in the spring we were able to return to the museum for professional development. We opened with coffee and refreshments in the conference room and went to the auditorium for presentations.

Presentations in the Auditorium - BURRRRR

The auditorium was cold, but the presentations were well worth it. Most presentations were filmed and later available online. Google Docs remained full of interesting reading to go along with the presentations.

*Returning to the European Galleries
in May for a "Sneak Peek"!*

*Adjustments still needed to
be made to the lighting and
pictures still needed to be
hung, but we didn't mind
one bit!*

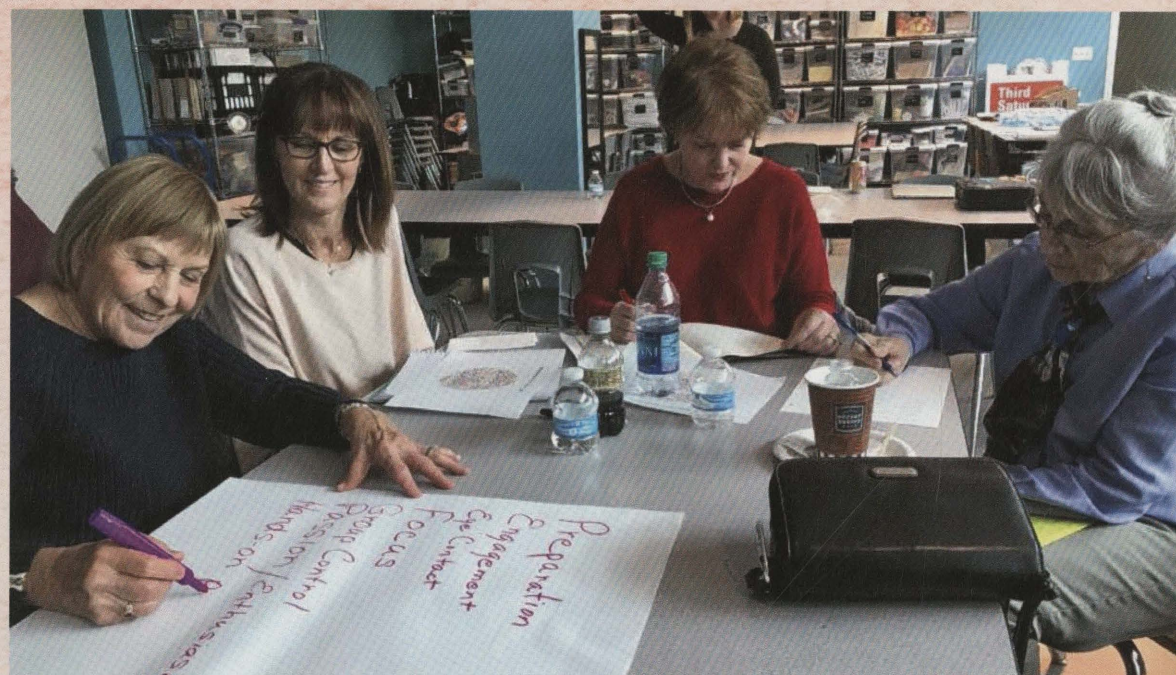

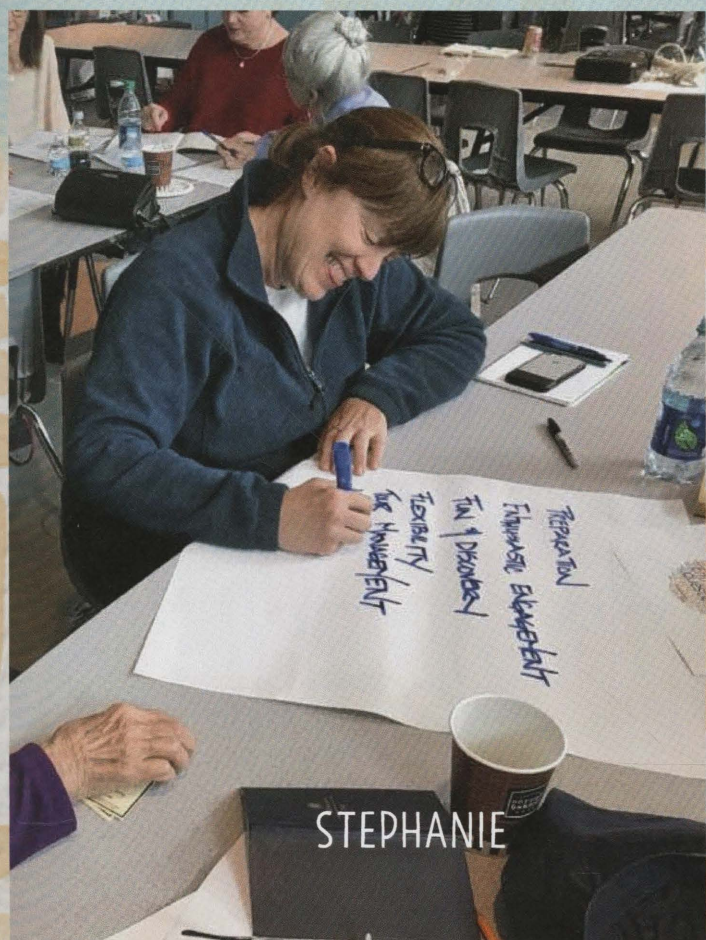

Returning to the Contemporary Gallery with Whitney Tassie was also quite a treat!

*Sharing ideas and preparing to
tour again is great fun!*

Spring Fling

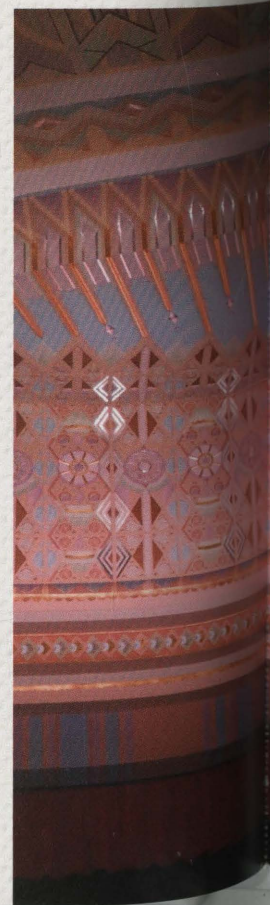

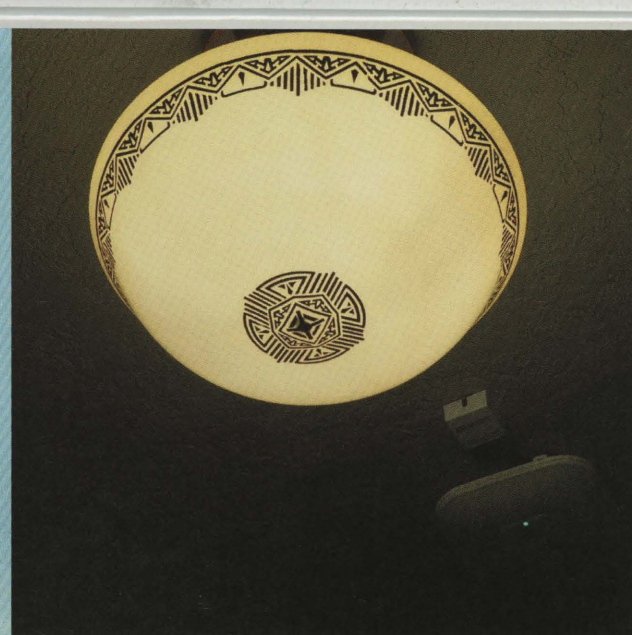

ASHLEY, POLLY, CONNIE, AND CHERRY

Another Docent Tradition "Spring Fling" took us to the nationally recognized Art Deco gem, Ogden High School. Originally built in 1936, the building recently underwent major renovations to preserve and protect the structure for years to come.

In Memory of

MARY ELIZABETH "BETSY" CAMPBELL AND ELAINE H. CALL

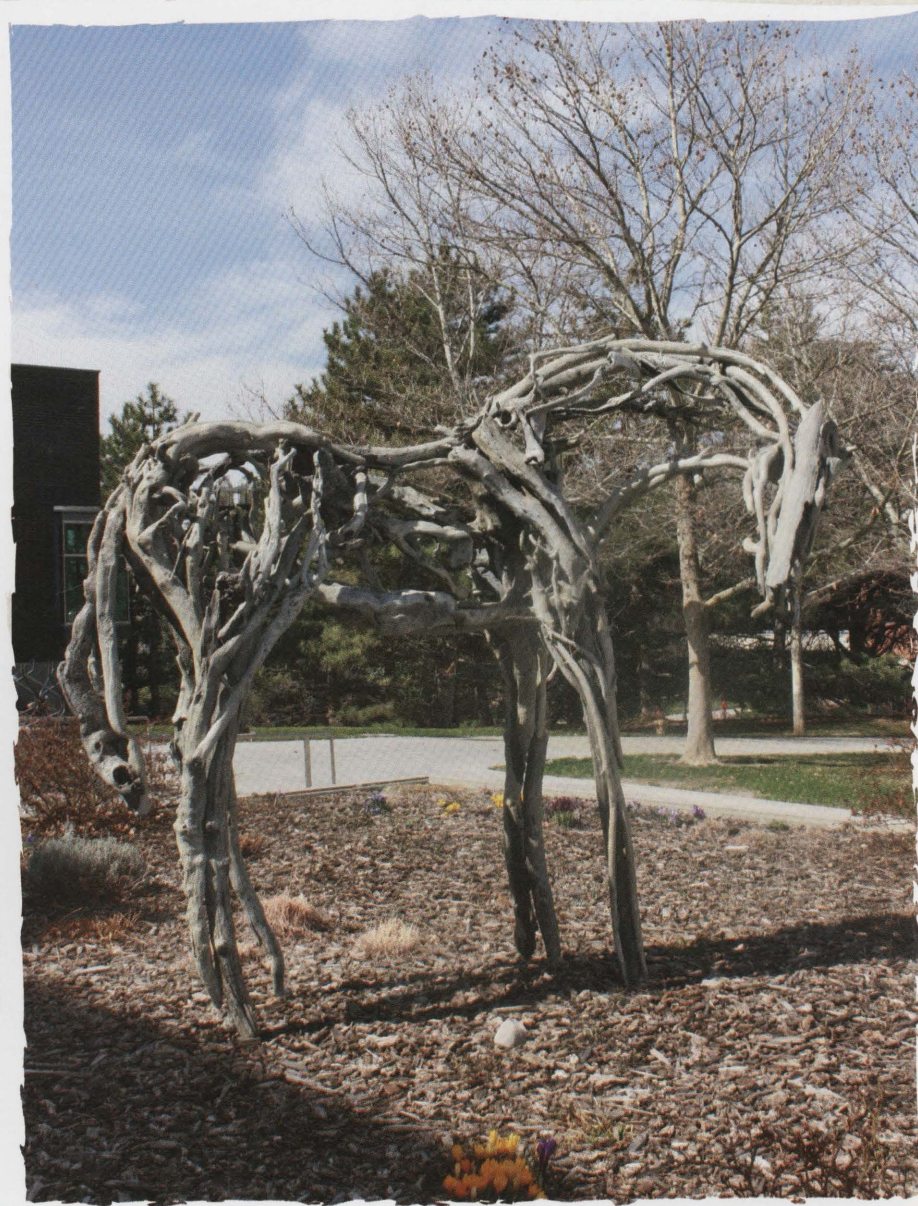

*Betsy was last active as a docent in 2008.
She was an accomplished choir director, pianist, and
watercolor painter. Her life's work was to create beauty
and love the people around her.*

*Elaine was a proud docent for the Utah Museum of Fine
Arts for 25 years. Being a docent proved to be a wealth of
friendship and learning. She just loved it. After retiring
from teaching she had the opportunity to travel and engage
in life long learning!*

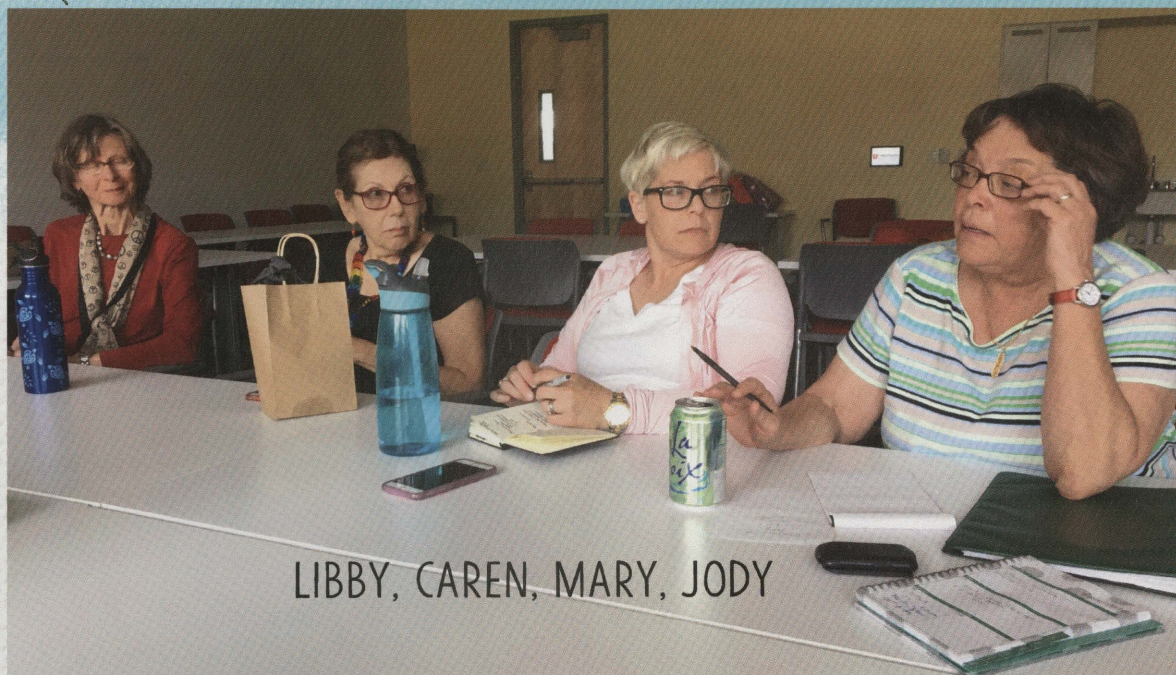

Testing the improved acoustics in the Great Hall – Docents can be counted on to make noise when called upon!

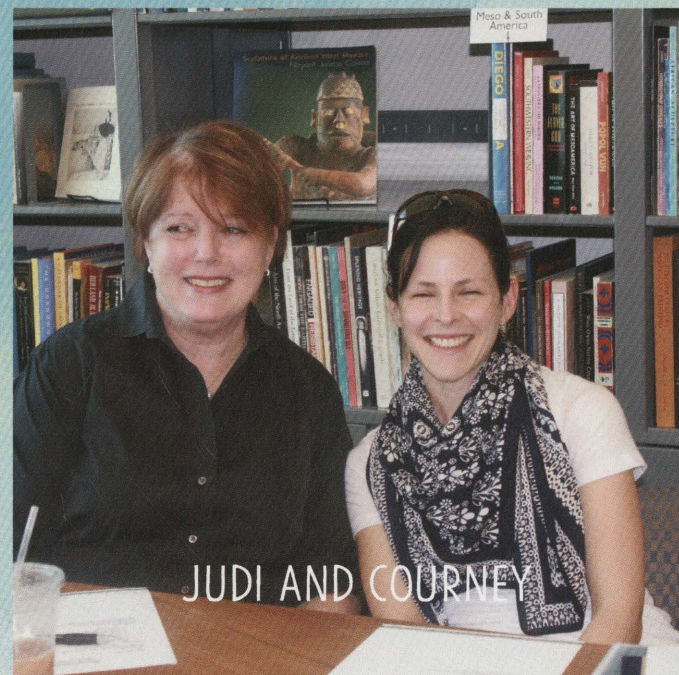

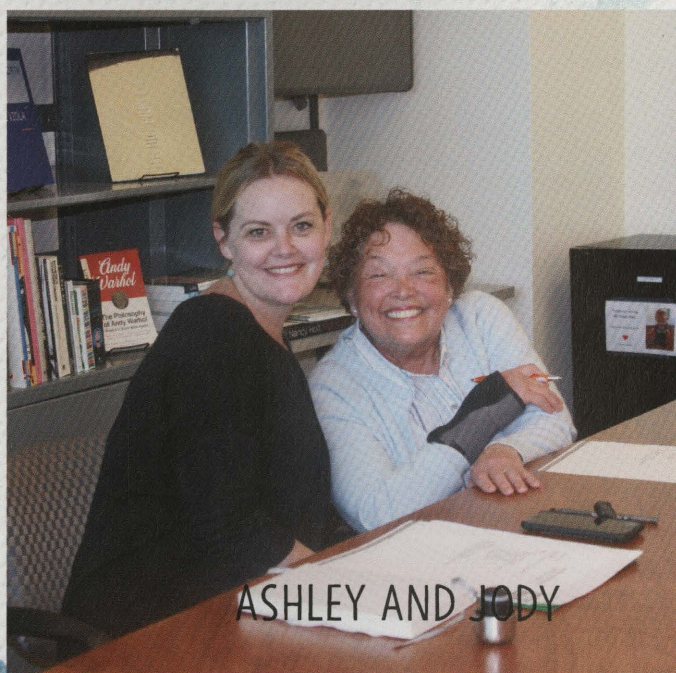

Two things have remained unchanged in this year of changes: Parking and Rex! Parking continues to be a challenge, but the docents are resourceful and resilient. And through it all, Rex has remained outside the museum as a sentinel and a reminder of what lies within those changing walls!

Elaine H. Call

8.23.1924 ~ 6.29.2017

Gosh I loved life and I had such a good one. I got off to an early and wonderful start with my marriage to Vern W. Call.

I was married in the LDS Temple in 1945 at the tender age of 21. Vern was just about finished with his military service and I was busy working on my degree in Education. We soon had three wonderful children, Clinton Ross Call (Janet), Marc Lawrence Call (Jan) and Denise Landvatter (Kent). The result was nine amazing grandchildren and if you're lucky enough to be 92

you may be blessed with nine great grandchildren as I was.

Backing up a little bit please. I was telling you about my education, which resulted with a degree in Education from the U of U and a little later my Masters Degree through classes at the U of U as well. I taught elementary school at Lincoln, Indian Hills and finished my 30-year teaching career at Whittier Elementary. After a lifetime of teaching children about the world I now had the opportunity to visit the places of my teaching. I visited cousins Rosslyn and Neil Sturman in England numerous times. I traveled to France, Germany Italy, Russia, China and India. In the last few years I took a voyage around the Cape of Good Hope and made many trips to the Shakespeare Festivals.

I volunteered at the Daughters of the Utah Pioneers for 35 years. I was a proud docent for the Utah Museum of Fine Arts for 25 years. Being a docent proved to be such a wealth of friendship and learning, I just loved it.

I am survived by my three children and their spouses as well as my brother Lawry and his amazing wife Marilyn. My husband Vern precedes me in death.

In closing I would just like to say to my students, "Obstacles are those things you see when you take your eyes off the goal"

Love ya more, Elaine

Funeral services will be held at 11:00 Friday July 7th at the Mountain View Chapel located at 1400 S. & 1900 E. interment to follow at Wasatch Memorial Park. My children will be greeting family & friends from 6:30 - 7:30 Thursday evening July 6th at the Mountain View Chapel & from 9:30 - 10:30 Friday morning before the service.
